Here's Why We're The "Best"

UMAMI (OOOO-MAMI)

We'd like to introduce you to the Bold, Savory and Flavorful fifth taste known as Umami. At Best Burger Bar we're all about intensifying your taste buds by releasing some serious umami flavor blasts into our food. We use a proprietary blend of all natural Umami ingredients. Forget Sweet, Salty, Sour and Bitter. It's Umami time!!! Learn more at umamiinfo.com

THE MAILLARD REACTION

Why we smash our burgers – The Maillard Reaction = High heat creates a series of organic reactions, resulting in a complex symphony of extra meaty flavors. It actually makes meat taste more "meaty".

DRY-AGED BEEF

Why do we dry age our All-Natural Certified Angus Beef? Dry Aging creates organic reactions and reduces moisture content in the beef which result in concentrated new beefy flavors.

GLUTEN FREE

All our sandwiches and burgers are available In the Grass. (On a bed of lettuce) or on a gluten free bun for .99¢
